C++ / C++ OOP

At ANT Technology Training Center | May 2024 - Nov 2024

HTML5, CSS3 and Bootstrap

At ANT Technology Training Center | Nov 2024 - Apr 2025

WORK EXPERIENCE

Project: Find&Found

Academic Project Developer | at ANT Technology Training Center | Jan 2026 - Mar 2026

Role: Frontend Developer

Responsibilities:

- Developed responsive interfaces using HTML5, CSS3, Bootstrap, JavaScript, and Vue.js.
- Built reusable Vue.js components and integrated RESTful APIs.
- Implemented authentication features, including Login, Registration, OTP Verification, and Password Reset.
- Optimized UI for desktop, tablet, and mobile with cross-browser compatibility.
- Tested, debugged, and collaborated with the team using Git/GitHub.

Project: SrokYerng

Academic Project Developer | at ANT Technology Training Center | May 2026 - Present

Role: Full-Stack Developer

Responsibilities:

- Developed full-stack features using Vue.js, Node.js, Express.js, and MySQL.
- Designed and implemented RESTful APIs, MySQL database structures, and CRUD operations.
- Built refund reservation, property review, room review, and amenities functionalities.
- Integrated frontend components with backend services to deliver a responsive user experience.
- Tested, debugged, and optimized application performance while collaborating with the team using Git/GitHub.

HOBBIES

Building full-stack web applications, exploring modern UI/UX design, learning new technologies, solving coding challenges, contributing to open-source and personal projects, and staying up to date with software development trends.
